FIRE EXTINGUISHER MAINTENANCE CHECK LIST

Service all extinguishers in accordance with BS5306:Pt 3:2000 & BS 6643 Pt 1 : 2000 & to agreed contractual requirements.

Affix or mount your extinguishers in accordance with the recommendations of BS5306: Pt 3:2000

Recommend where necessary any additional fire fighting equipment that is required to ensure adequate protection for your premises as required by Fire Safety Regulations applying to your site.

Recommend the installation of Fire Safety Signs as required by the Health & Safety (Safety Signs & Signals) Regulations 1996.

Issue this Certificate of Conformity following the service, providing that our Service Representative is satisfied that your fire fighting equipment is ready for use & provides adequate protection for your premises.
